2. Any journey **You** take **Your Horse** on against a **Vet's** advice.

These are the main **Exclusions** and **Policy Limits**. Additional **Exclusions** and **Policy Limits** that apply. For full details of all relevant **Policy Limits** and **Exclusions** **You** must read the **Certificate of Insurance**, the general **Exclusions** to all sections and also to the specific **Exclusions** to each section under the heading "What **We** will not pay".

Excess

You will be required to pay a non-refundable **Excess** for claims made under this **Policy**. The **Excess** is shown on **Your Certificate of Insurance** and is payable on each un-related condition claim made under **Your** policy per policy year. Separate **Excesses** may apply to additional benefits provided by the **Policy**. **You** should read the **Policy** and **Your Certificate of Insurance** carefully so that **You** are aware of what **Excesses** may be applicable to **You** in the event of a loss.

Costs

The premium payable by **You** will be shown on **Your** tax invoice. **We** take into consideration a number of factors in setting premiums. The base premium **We** charge varies according to **Your** risk profile, including but not limited to, the breed of **Your Horse**, where **You** live, age of **Your Horse** and relevant claims history.

You will also have to pay any compulsory government charges (e.g. GST) plus any additional charges of which **We** tell **You**. These amounts will be set out separately on **Your Certificate of Insurance** (or tax invoice) as part of the total premium payable.

Minimum premiums may apply. In some cases discounts may apply if **You** meet criteria **We** set. Any discounts/entitlements only apply to the extent any minimum premium is not reached. If **You** are eligible for more than one, **We** also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts/ entitlements. Any discounts will be applied to the base premium calculated prior to any taxes being added.

When **You** apply for this insurance, **You** will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. If **You** fail to pay **We** may reduce any claim payment by the amount of premium owing and/or cancel the **Policy**. Special rights and obligations apply to instalment premium payments as set out below.

The amount **You** pay for **Your** premium includes Commission paid to **Petcover**. If a person has referred **You** to Us, **We** may pay them a part of the Amount that relates to Commission. This will not increase the amount **You** pay Us.

Payments by Instalments

If **You** pay **Your** premium by instalments refer to the 'General **Policy Conditions**' applicable to all sections for important details on **Your** and **Our** rights and obligations. Note that an instalment premium outstanding for 14 days or longer may allow **Us** to refuse to pay a claim.

Goods and Services Tax (GST)

All monetary limits in the **Policy** are inclusive of GST. In the event of a claim, if **You** are not registered for GST, **We** will reimburse **You** the GST component in addition to the amount **We** pay **You**. If **You** are registered for GST, **You** will need to claim the GST component from the New Zealand Inland Revenue.

You must advise **Us** of **Your** correct input tax credit entitlement where **You** are registered for GST with the Inland Revenue Department. **You** are liable to **Us** for any GST liability **We** incur arising from **Your** incorrect advice.
